SUBJECT No. 96.

Construction of a separate building for Government Girls' School at Chamrajnagar.

Mr. D. Narahari Rao, Chamrajnagar Taluk.

Summary of Representation.—A separate building may be ordered to be constructed very early at Chamrajnagar for the use of the Government Girls' School. It is ascertained that two sites were acquired for the purpose seven or eight years ago. The present practice of locating the Boys' and Girls' Schools in the same building and holding all the classes in a single hall is not satisfactory.

Messrs. T. Venkatasamaiya, Mysore District Board and Doreswami Iyengar, Chamrajnagar Taluk.

Summary of Representation.—The Municipal Council, Chamrajnagar, have arranged to provide in their Budget Rs. 5,000 every year to introduce drainage system into their Municipality which is estimated to cost Rs. 53,000 It is therefore requested that Government may place at the disposal of the municipality their portion of the grant.

SUBJECT No. 98.

The Suvarnavati Project.

Messrs. T. Venkatasamaiya, Mysore District Board and Doreswamy Iyengar, Chamrajnagar Taluk.

Summary of Representation.—The Suvarnavati Project having been found remunerative, an estimate was got up. Sanction to the same has been withheld for want of funds. As a large sum can be recovered in the shape of contribution from the raiyats and Inamdars that will be benefitted by the project, and from the value of the lands to be sold by auction, Government may accord sanction thereto very early.
